KAITSEPIIRE

- ◆ Esmalt paigaldage ülevalt kolmandasse vahesse kronsteinid ja lukustage need mutriga.
- ◆ Seejärel kinnitage kaared kruvidega kronsteinide külge ja piire ongi koos.

GUARD RAIL

- ◆ Firstly attach the supports to the heater. The supports go between the third and fourth wire rods.
- ◆ Then screw the arcs to the supports and you are done.
